

Planning Update 16 October 2021: Unauthorised development on land to the South Side of Westmill, SG9 9LD

Following the interim Injunction, granted by Mr Justice Holgate on 2 October 2021, East Herts Council (EHC) has reported that a further interim Order was granted on Friday 15 October 2021 by Clive Sheldon QC sitting as a Deputy High Court Judge.

The interim Order is suspended for six weeks from the date of the Order and requires the defendants to remove themselves from the site.

EHC is publishing FAQs (frequently asked questions) on its website next week in order to incorporate information from the most recent hearing. The FAQs will be updated throughout the process.

WPC will continue to work closely with EHC to provide updates as new information becomes available.
